Building Safety Certificate

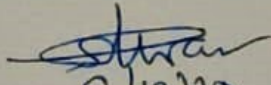

As desired by Summerfield Residential & Day School, Herbertpur our Engineer inspected the building of the school constructed on Chakrata Road, Herbertpur, Distt. Dehradun.

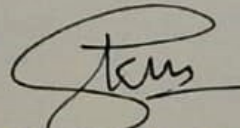

The constructed building has two units:

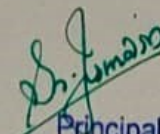

- 1) Old academic block, constructed with RCC columns and beams at the wall joints is well maintained.
- 2) New building constructed on RCC framed structure duly plastered and finished.

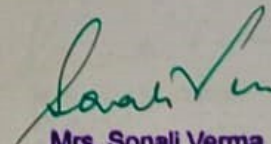

It is certified that the building is technically safe and fit for running the educational institution/ school.

Hence this certificate of building safety and stability is issued.
